

Development Quote: Activities Page Event System (Mbiufun Ltd.)

Activities Page — Event System Upgrade
Developer: Cyprian Kibet Koech
Client: Mbiufun Ltd.
Client Representative: Dr. Edwin Adoyo Obie (Director)
Rate: KES 500 per hour

1. Overview

This quote covers the complete redesign and development of the **Activities Page** for Mbiufun — upgrading it into a full-featured event system where users can:

- Create activities/events
 - Join activities/events
 - View activity dates, times, and locations
 - Like (via MbiuHorn), comment, and share events
 - View activity details
 - Browse upcoming activities
-

2. Detailed Breakdown

A. Frontend Development (Angular)

Estimated Time: 46 hours
Cost: $46 \times 500 =$ **KES 23,000**

Tasks:

1. Activity feed listing layout — 8 hrs
 2. Activity creation form & UI flow — 10 hrs
 3. Activity details page — 10 hrs
 4. Join/cancel interaction states — 5 hrs
 5. MbiuHorn (like) interaction component — 4 hrs
 6. Comment UI (create + display) — 6 hrs
 7. Sharing modal (Facebook, Instagram, link) — 3 hrs
-

B. Backend Development (Django)

Estimated Time: 54 hours
Cost: $54 \times 500 =$ **KES 27,000**

Tasks:

1. Activity model + validation rules — 10 hrs
 2. Join/cancel API + constraints — 10 hrs
 3. Comments API + sanitization — 8 hrs
 4. MbiuHorn like API — 6 hrs
 5. Activity feed API (pagination + filtering) — 8 hrs
 6. Activity details API — 6 hrs
 7. shareable link generator — 6 hrs
-

3. Total Cost

Total Hours: $46 + 54 =$ **100 hours**

Rate: **500 KES/hr**

Grand Total: KES 50,000

4. Payment Terms

Consistent with our standard structure:

- **25% Deposit:** KES 12,500
 - **25% Mid-Milestone:** KES 12,500
 - **25% Pre-Delivery:** KES 12,500
 - **25% Final After Acceptance:** KES 12,500
-

5. Timeline

At 3 hours/day as a solo developer:

100 hours ÷ 3 hrs/day = ~34 working days

≈ **1.5 months** of development time.

6. Notes

- This quote applies only to the **Activities Page upgrade**
 - All deliverables will follow the official Mbiufun UI/UX tone
 - Optional features (maps, AI recommendations, real-time updates) are separate
-

7. Acceptance

Upon approval of this quote, a formal contract will be issued naming:

Client: Mbiufun Ltd.

Representative: Dr. Edwin Adoyo Obie

And work will begin once the **initial deposit** is cleared.
